KCI PRINT

SHOP

The Kansas Correctional Industries Print Shop at HCF specializes in Black & White or Full Color printing of Postcards, Calendars, Brochures, Business Cards, and Booklets. We also print business forms, multi-page carbonless documents and wide-format, full color poster printing.

Printing is done on either digital or offset press depending on the item being printed. We can finish your product in booklet form, spiral binding, hole punch or tablet style.

Our screen printing dept. can custom print shirts, hoodies, sweatshirts, sweatpants, sport uniforms, cozies, backpacks, lanyards, and spirit towels to name a few.

In addition, we have the capability to do vinyl heat press and rhinestone designs on a variety of articles.
